

New Curriculum Approval Flow Chart

■ Phase 1: Curriculum development (1-4 months*)

■ Phase 2: Local review and approval (3 months*)

■ Phase 3: CCCC review and approval (2-6 months*)

■ Phase 4: Implementation and notification

■ Phase 5: Courses (and programs) may be offered to students

Phase 1 through Phase 5 total approval time: average of 6-13 months*

* Average length of time required to develop curriculum, conduct technical review, and receive necessary approvals. Lengths may vary. Programs require additional approval time (Phase 3). Contact SDCE Instructional Services for questions regarding the timeline and approval lengths.

† Refer to SDCE Curriculum Committee meeting calendar for committee meeting dates and times. <http://employee.sdce.edu/node/14>
